Sunday, November 5th

1 Peter 4:12-14 /Hebrews 13:5

They Remain Joyful Amid Suffering. Acts 5:41

Be Rooted in God's Word. 2 Timothy 3:16-17

Boldly Share the Gospel. Acts 4:29

Be Granted Wisdom in Covert Ministry Work. Acts 9:23-25

That Amid Persecution, the Church Will Be Strengthened & Continue to

Grow. Even though the purpose of persecution is to stamp out the church, it often has the opposite effect. Believers grow bolder and more passionate about sharing God's Word with others. Despite attempts to stop it, the global church continues to grow. And pray that despite all odds, more and more people will come to believe in Jesus as their Savior.

That Their Persecutors Will Come to Know Christ. Matthew 5:44

When Christians stand firm in the face of persecution, it changes the way people view the Christian faith.
