

CLINICAL CHRISTIAN COUNSELING

Our Clinical Christian Counselors are licensed clinicians recognized by the Arizona State Board of Behavioral Health Examiners. They pair the truth found in Scripture with modern therapeutic approaches and theories to bring holistic healing to their clients.

LIFE COACHING

Each of our Life Coaches are certified according to their specific discipline. Life coaching aims to increase the overall effectiveness and productivity of an individual, couple, family, or group within their personal or professional surroundings. Life Coaches are devoted to guiding others into increased competence, commitment, and confidence.

**Life Coaching is not a medically recognized service.*

PRICING

Pricing may vary and will be independently determined by each Clinician or Life Coach, and agreed upon by the Client before services are rendered.

**Health insurance not accepted for Clinical Christian Counseling Services.*

PHC CARE & COUNSELING

We exist to care for the community of Glendale and surrounding cities by offering services from our PHC Care Team such as Clinical Christian Counseling, Life Coaching, Pastoral Counseling, Healing Prayer, and Lay Minister Mentoring. With Jesus as our guide, anything is possible.

Let us walk with you - because life is better together.

PASTORAL COUNSELING

Our Pastoral Counselors hold Master's degrees and are Board Certified by the American Association of Christian Counselors (AACC). While recognized by the American Psychological Association (APA) in psychology, we do not offer medically recognized services. Our aim is to foster overall wellness through spiritual growth, guided by the Holy Spirit, to overcome life's challenges.
